

ROTARY CLUB Reed City, Michigan

ROTARY SCHOLARSHIP PROGRAM 2024

Application Due on or before April 1, 2024

PURPOSE

The Rotary Club of Reed City has established a Scholarship Program with a generous donation from a local citizen. The donor directed that scholarships be made available to graduating seniors or recent graduates of Reed City, Evert, Pine River and Marion High Schools who wish to attend an accredited vocational-technical school, Community College or University. Certificate, associate and higher degrees in vocational areas such as construction, auto, truck and heavy equipment mechanic, plumbing, HVAC, electrician, machine tool, cosmetology, nursing aide, LPN and other vocational skilled trade programs as well as Pharmacy are eligible.

The Rotary Scholarship funds will be paid directly to the recipient's school. Payments will be made in two installments. The first installment will be at the beginning of the first semester. After successful completion of the first semester the second payment will be made at the beginning of the second semester. In the event the Rotary Scholarship Selection Committee deems there are no applicants that qualify for the scholarship then the Rotary Board of Officers and Directors will have the sole authority to determine if a scholarship will not be awarded for that current year. Awards are granted without regard to race, color, creed, religion, sexual orientation, age, gender, disability or national origin.

CRITERIA FOR ELIGIBILITY

- Applicant must be a current year senior graduating or a recent graduate from Reed City High School, Evert High School, Pine River High School or Marion High School.
- Applicants must be accepted at a university, community college, vocational college, trade school or certificate program for the upcoming school year. If scholarship money is awarded, this is the only program that will receive the funds on behalf of the applicant.
